

QHSE POLICY

Quality and
Safety Excellence

HEXA is committed to ensuring all products and services supplied to their customers conform to the quality and reliability standards expected by and agreed with them. At the same time, sound commercial practices shall be maintained through effective business planning.

We conduct our businesses with respect and care for the environment and without compromising the health and safety of people, employees, customers, clients and subcontractors.

We are committed to prevent illness and injuries to our employees and interested parties.

We continuously improve our business processes while meeting or exceeding legal or regulatory requirements and appropriate international standards.

Implement initiatives to prevent pollution, conserve natural resources and minimize the effects of HOGS operations on environment.

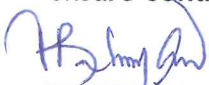

We comply with the relevant industry standards, applicable legislative and other requirements

We provide high quality products and services to make our customers successful and add value to our business. Also provide an environment for open and transparent communication of QHSE matters.

We recognize that the skills and involvement of our employees are essential for understanding and fulfilling the needs of our company and customers.

Integrate QHSE into the business strategies and processes

- Manage QHSE effectively by developing, implementing and maintaining a best practice, process oriented, integrated management system.
- Access and manage the QHSE risks of the business throughout product life cycle and the environmental impacts from past practices.
- Measure QHSE performance and develop annual and long term QHSE objectives to achieve continuous, sustainable improvement.
- Verify compliance with internal and external requirements through audits and strive for compliance with international standards such as ISO 9001, ISO 14001 and OHSAS 18001.
- Address QHSE issues and their impact on practices, processes and products to align our business with public and customer expectations.
- Promote QHSE awareness and enhance confidence of internal and external stakeholders in our business by informing, consulting, training and advising.
- Hold every employee accountable for their commitment to our principles.
- The policy will be communicated to all employees and will be subject to periodic review to ensure continued effectiveness.
